The Court has granted the foregoing Seizure Order without prior written or oral notice to Defendants for the reasons set forth below:

- a. The entry of any order other than a seizure order without notice will not serve to adequately achieve the objectives underlying the Trademark Counterfeiting Act of 1984;
- b. RIM has not publicized its proposed seizure order;
- c. RIM has provided the United States Attorney for the Southern District of New York with notice of its application for a seizure order pursuant to 15 U.S.C. § 1116(d)(2);
- d. RIM has provided the Court with substantial evidence that Defendants have used counterfeit marks in connection with the sale, offering for sale or distribution of goods;
- e. RIM will incur immediate and irreparable injury if this Court declines to grant a seizure order without notice;

f. The matters subject to said seizure order will be located at the business locations of the Defendants;

g. The harm to RIM should this Court decide not to grant RIM's motion for a seizure order without notice outweighs any harm which the Defendants may incur in the event this Court grants RIM's motion for a seizure order; and

h. Defendants, or persons acting in concert with them, would likely destroy, move, hide or otherwise make inaccessible to the Court the matters which are subject to the proposed seizure order if RIM is required to proceed on notice.

i. No prior application for the relief sought herein has been made to this or any other court.
